

# THE MEDICAL CENTER OF STAFFORD

---

## General Information

The Medical Center of Stafford operates on a walk in basis, treating all types of illnesses and injuries and appreciate your patience when we take care of the more seriously ill patients first. We do make appointments for complete physicals and treatment of chronic illnesses.

The Medical Center is open seven days a week, Monday through Friday from 9am to 9pm, Saturday and Sunday from 9am to 3pm.

Our physicians are NOT available after hours. If you have a problem or need immediate medical advice or attention, you must call or go to the Emergency Room at either Mary Washington Hospital in Fredericksburg or Potomac Hospital in Woodbridge.

Should you need to be referred to a specialist or for testing we will work with your insurance carrier to refer you to a doctor or facility participating within your plan.

Due to each insurance carrier requiring their lab tests sent to different laboratories, we are no longer able to draw blood at the Medical Center of Stafford. You will be given a prescription for lab work and may have your blood drawn at the Medical Labs of Virginia in the North Stafford Medical Building behind Arby's or to the laboratory at Mary Washington Hospital.

ALL RETURNED CHECKS ARE SUBJECT TO BANK CHARGES AND A RETURNED CHECK FEE OF \$20.00. IF YOUR RETURNED CHECK

SHOULD BE TURNED OVER TO A COLLECTION AGENCY ALL FUTURE CARE WILL BE ON A CASH BASIS ONLY.

ANY ACCOUNT THAT IS TURNED OVER TO A COLLECTION AGENCY FOR NON PAYMENT WILL REQUIRE PAYMENT IN FULL FOR ALL FUTURE CARE REGARDLESS OF INSURANCE COVERAGE.

If your insurance company sends payment to the Medical Center of Stafford and your account is PAID IN FULL, you will be issued a refund from the Medical Center of Stafford.
